Rules of Play

“Captain’s Choice” or “scramble” format. One team score is taken for each hole. Choose best shot of group and play from that spot; repeat until team holes out, for a maximum score of double bogey. PLEASE PICK UP WHEN TEAM REACHES DOUBLE BOGEY ON A HOLE.

Preferred lie within 1 club-length of original ball, no closer to hole and from the same terrain.

Teams with 3 players may play a fourth shot, with players in the group taking turns as the “fourth player.”

Mulligans may be used only for tee shots, excluding par 3s. Mulligans may not count toward winning individual par 3 or long drive competitions.

A team is eligible for only one team prize, with gross prize assuming precedence. All disputes and unforeseen eventualities will be resolved in the spirit of aloha by the Golf Competition Committee.
